DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claims 1 and 9, "the lumen", in lines 4 and 5 respectively, lacks antecedent basis per se. Claim 7 is indefinite in that it is contradictory to the limitation that the conductors are insulated "from each other".

Claim Rejections - 35 USC § 102

Claims 1, 2, 4, 5, 8, 9, 12 and 13 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Dahl et al. US-4559951.

Claims 1, 4, 5, and 8-13 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Chardack, US-3348548.

Claims 1-5, 7-9, 12, 15-17, 19 and 20 are rejected under 35 U.S.C. 102(e) as being clearly anticipated by Verness, US-6785576. As to Claim 5, See in particular Figure 20. Note too that cabled and coiled, multi-filar and mono-filar conductors are taught to be interchangeable.

Allowable Subject Matter

Claims 6 and 18 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and/or to include all of the limitations of the base claim and any intervening claims.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
